### *Fencing Regulations*

Maximum Height: 6'.

The use of chain link not permitted in the front. If a portion of the rear is visible from the street it should be camouflaged with hedge or vine or other appropriate plantings. No plastic or wire fencing permitted.

The finished side (or good side) or the outside of the wood fence shall be positioned to face adjacent properties.

On corner lots nothing shall be erected, planted or allow to grow in a manner that would impede vision between a height of three (3) and then ten (10) feet.

Use care to not encroach upon your neighbor's property

Always call 811 before digging to install any fencing. The call & location service is free.

\* Fee includes inspection
